*Dear Eduarn, Wendy, Lara and Bliss*

*I am going to say thank you for all the hard work you did for us to have lots of fun while we were at camp.*

*I really like the way you help us during many of the activities at camp especially you Eduarn because you let my friend Leah down off the multi-vine.*

*My favourite part of camp was the free swimming and the slide even though it was freezing cold but the slide was the best the slow mo mr grant got of me going down the slide is the best part of the day.*

*Again thank you so much for everything you did for us at camp.*

*Yours sincerely  
Laura*
